2020-03 - 2020-12

Technology Consultant

ROLES & RESPONSIBILITIES, BENGALURU, KARNATAKA

- **Project Title: "Express UI for our Agents"**
- Team size: 4 Period: 6 months
- Business Description: Insurance agents across US were not having a dedicated UI where they could login and enter details of their customer for receiving a quote.
- So, in this project we built Express UI for the agents where they could login and get quick quotes & if satisfied, could issue the policies as well.
- Technology Corner: ReactJS as major frontend library, BootStrap, ReactStrap & CSS for designing purposes.
- **Project Title: "LA Military Services"**
- Team size: 2 Period : 2 months
- Business Description: Expend applying Military discount to Motorcycle and Antique Auto,
- Maintained and managed frond - end framework Express 2.0 and added new features to the UI's.
- **Project Title: "Encompass insurance RFQ"**
- Team size: 2 Period : 2 months
- Business Description: The scope of this project is to redesign the look and feel of Request for Quote form, the look and feel will have responsive design allowing the form to render correctly.

2019-03 - 2019-07

Associate Consultant, Technology

ROLES & RESPONSIBILITIES, BENGALURU, KARNATAKA

- **Project Title: "Encompass insurance RFQ"**
- Team Size: 2 Project Period : 5 months

- Business Description: The scope of this project is to redesign the look and feel of Request for Quote form, the look and feel will have responsive design allowing the form to render correctly on any device a user choose
